3. Click on *¿Olvidó su contraseña?* (Forgot your password?)

4. Enter your ID number and email address.

5. Click on the link sent to the email address provided in the previous step.

6. Enter your ID number and email address again and create a password of at least 8 characters (including an uppercase letter, a lowercase letter, a number and a special character such as @#€&.). Save it on your mobile phone so you can easily access your reports.

7. As soon as your medical report is ready, you will receive a WhatsApp message at the phone number provided, including a direct link to your results.
